

LETTER FROM THE PRESIDENT

From our early beginnings in Pittsburgh, Pennsylvania, in 1915, to today, the Fraternal Order of Police has grown to become the largest and most commanding voice in law enforcement. With more than 2,100 local lodges and over 314,000 members from Massachusetts to California, Florida to Minnesota, we are committed to the belief that no one knows the danger and difficulties faced by police officers better than another police officer.

The Fraternal Order of Police was founded and continues to operate as a representative organization. You have a voice and vote in all matters in your local lodge. You, the members, through your local lodges, direct the efforts of the FOP. You decide what programs and benefits are right for you. You elect your officers to represent you. We have full-time staff members, but there are no high-paid "executives." No other police association offers so much for so little. Whether in labor, legislation, education or fraternalism, your voice, and the voice of your fellow members, is the Voice of the Fraternal Order of Police.

Please allow us to be your Voice by joining.

Fraternally,

Chuck Canterbury

Grand Lodge National President

What is the FOP?

The Gaston County Lodge Fraternal Order of Police is part of our nation's oldest, largest and most respective law enforcement organization. The Gaston County Lodge was Chartered in 1970. There are now more than 6,500 members in 50 local lodges in North Carolina, officers from federal, state and local agencies, departments large and small, from the Great Smokey Mountains to the Atlantic Ocean.

The Fraternal Order of Police also works to make law enforcement a profession that is better able to attract and retain competent, experienced officers, so that those officers are better able to fulfill their public duty. Many qualified people enter other fields that are safer or more highly compensated, and experienced officers often leave law enforcement for the same reasons.

Today, all across our state is a great awareness of increasing crime related to the illegal drug business. The membership of the Fraternal Order of Police stands with you against those who would destroy all for which we have both worked so hard. We address not only the needs of our membership, but also your law enforcement concerns.
